

Preparation Courses

- A placement test is available for students to take to assess their English proficiency level.
- They also have the option to access a highly interactive 100-hour preparation course focused on strengthening grammar and vocabulary.
- Aligned with the Common European Framework of Reference for Languages (CEFR), this course builds essential skills through engaging games, animated videos, and interactive activities, helping students gain confidence for the competition.
- The WEB preparation courses are optional and can be purchased separately or as part of a Web Olympiad registration package.
